

Social media brand communication and brand equity measures

Please cite. Schivinski, B., & Dabrowski, D. (2015). The impact of brand communication on brand equity through Facebook. Journal of Research in Interactive Marketing, 9(1), 31–53. <https://doi.org/10.1108/JRIM-02-2014-0007>

Administration. Replace [brand] with the brand the respondent named. Present each construct in its own block. Code answers 1 to 7; each construct score is the mean of its items. Introduction and brand question are suggested wording; item wording and response format are as published.

Introduction

This survey is about a brand you follow on Facebook. Brands post their own content on their Facebook pages, such as photos, videos and news from the company. Other Facebook users also post content about brands, such as comments, photos and reviews. There are no right or wrong answers.

Part 1. Your brand

Please type the name of a brand that you have “Liked” on Facebook.

You will answer the following questions about this brand. Wherever you see [brand], think of the brand you named.
